

Consortium Ethics Program Seminar Series

Hospital Ethics Committees & Clinical Ethics Consultation: Structure, Process and Institutional Roles

Monday May 23, 2022 | 9:00 am – 3:30 pm
UPMC Events Center at Robert Morris University

Joseph T. Bertino, PhD, HEC-C
Director of Ethics
UPMC Presbyterian/Shadyside
UPMC Western Psychiatric Hospital

Sarah Stockey, DHCE, NCG
Co-Director
Federated Guardians

Abstract: This seminar is a practice-focused workshop for developing skills and competencies for leadership and service on hospital ethics committees, ethics consultation services, and ethics education planning committees. This seminar will provide an introduction to analysis of complex clinical ethics cases through interactive didactic sessions and small group breakout sessions for case analysis and discussion.

Open to healthcare professionals who serve on an ethics committee or have a general interest in healthcare ethics.
