

Consortium Ethics Program Seminar Series

Empathy, Ethics, and the Challenges of Difference

Session 2: The Impact of Healthcare Ethics and Law on the Incarcerated Individual

Tuesday, September 15, 2020 | 11:00 am – 12:00 noon

Greg Dober, MA
Healthcare Ethicist
Private Practice

Objectives:

- Understand the legal and ethical history that mandates healthcare rights to incarcerated and detained individuals in the United States.
- Understanding the legal and ethical healthcare responsibilities to incarcerated and detained individuals.
- Understand the ethical challenges for healthcare providers when delivering healthcare services to incarcerated and detained individuals.
- Understand that ethical healthcare decision-making for incarcerated individuals are consistent with those of non-incarcerated individuals in general society.

On-line via Zoom—Registration Required
